HOW TO SEND A CASE TO NU-LIFE LONG ISLAND

Nu-Life Long Island utilizes Federal Express delivery service for fast and reliable pick-up and delivery service. We will supply your office with pre-printed Fedex airbills, as well as, boxes and bags to package your cases in. Should you need any supplies, please call the lab at 1-800-2-4-TOOTH.

- We suggest that you use Fedex 2day service. This service guarantees the package to be delivered no later than 4:30 p.m. on the second business day following pick-up. Nu- Life Fed Ex Account Number: 1201-1371-2
- In the event that you need a case to be delivered to Nu-Life Long Island the following day, the case can be sent either Standard Overnight which is guaranteed to arrive the next business day by 3:00 p.m., or Priority Overnight, which is guaranteed to arrive the next business day by 10:30 a.m. Both of these services are very costly so we suggest that Fedex 2day service be used.
- The cost of each round-trip shipment will be included on your invoice.

In the event that you do not have a Nu-Life shipping box, you can ship your work in any box that is free of labels. Wrap your case well so no damage occurs in transit. If you are sending more than one patient case in a box, please be sure to properly label each case. Fill out the pre-printed airbill shipping label with the following information. In Section 1- fill in your office information, Section 4a- check off Fedex 2day service, Section-7 fill in (1) package, and either (1) or (2) pounds. After completing the information, affix the airbill to your package. In order to schedule a pick-up from Fedex, call their toll-free customer service number 1-800-238-5355.

If you have any further questions regarding our Fedex delivery service, please feel free to call Nu-Life Long Island at 1-800-2-4-TOOTH.
